Dear 1199SEIU Member:

Here at the 1199SEIU Child Care Funds (CCF), we understand the challenges of managing work and family life, including access to affordable, quality child-care and youth programs. Our organization was founded on the notion that if working parents are not worried about the care of their children, then they can better focus on their work. This is especially true for the important work of our everyday healthcare heroes.

This past year, we celebrated 30 years of the 1199SEIU Child Care Funds. For three decades, we have provided quality services to over 400,000 children and families of 1199SEIU members. We look forward to continuing our mission of helping working families access quality and affordable child-care and youth programs for many more!

As we positively move forward with life post-COVID-19, we remain committed to providing your families with nurturing and enriching child-care programs and resources in this new day and age. You will find a detailed listing of available programs for 2024 in this Registration Information Booklet, along with information on eligibility requirements, registration processes, locations and hours, program specifics and more. We encourage you to review the broad range of programs that CCF has made available to your child(ren), from infancy to young adulthood. While there are different ways to apply for child-care benefits, the fastest and easiest way is to do so online.

If you need assistance or would like to speak with a dedicated registration representative, call (646) 473-8367, Monday through Friday, from 9:00 am to 5:00 pm. To apply online, log in to MyAccount at www.My1199Benefits.org and upload copies of your two (2) most recent pay stubs, dated within the last 30 days; a copy of the Social Security card(s) of any child(ren) NOT already registered for CCF programs; and a copy of your 1199SEIU Health Benefits ID card, listing your children. Online registration begins Wednesday, August 23, 2023. Virtual registration starts a few days later, Monday, August 28, and you can make an appointment for virtual assistance. In-person registration—by appointment only—starts Tuesday, September 5, at both the NYC and Hicksville offices. All registration ends on Tuesday, October 31, at 4:00 pm.

I also encourage you to follow us on Facebook and Instagram on @1199ChildCare and visit our webpage www.1199SEIUBenefits.org/Alternative-Child-Care-Services for information about other programs and services that could be beneficial to your family. Here's to another great year!

Sincerely,

Rossmery Dais

Child Care Funds (CCF) Introduction

The 1199SEIU Child Care Fund (CCF) was founded in 1992, becoming the first union-based child-care benefit in the country. This benefit proved critical for 1199SEIU members, facilitating their ability to work while their children attended quality programs. In 1998, as the Greater New York Nursing Home Association added child-care benefits to its employee benefit package, the 1199SEIU/Greater New York Child Care Fund (GNY-CCF) was created. Then, in 2014, the 1199SEIU/City of New York Education, Child and Eldercare Fund (CNY-CCF) was created to administer child-care benefits for 1199SEIU members employed in select New York City agencies. Together, the CCF, GNY-CCF and CNY-CCF are known as the Child Care Funds (CCF).

Employers contribute to the CCF to provide 1199SEIU members with child-care benefits. The contribution is negotiated during collective bargaining and, as a result, the employer pays a percentage of gross payroll into the Funds. The CCF provides a variety of child-care benefits, including after-school care, day care, summer day camp and cultural arts, holiday and teen programs. Since 1992, the Child Care Funds have provided benefits to approximately 300,000 members and children.

Choosing a Program that Is Right for Your Child

The CCF does not license, recommend or endorse any provider. It is your responsibility to do the following:

- Choose programs that meet the needs of your family and register for programs that you are certain your children will use;
- Apply for more than one program, as you may not receive your first choice; and
- Observe different programs and meet with providers to make informed decisions.

Help with Choosing a Program that Is Right for Your Child

Let Child Care Resource and Referral (CCR&R) Services Help

Child Care Resource and Referral (CCR&R) Services help families take the guesswork out of finding child care, summer day camp and after-school programs. The CCR&R Services team researches and provides the most up-to-date information relating to child-care programming and resources for licensed or registered providers. Eligible members may call (212) 564-2220 for assistance.

Multiple Benefits

- List your choices in priority order and note with numbers (1, 2, 3...) on your application. Priority numbers cannot be repeated.
- If you are not approved for your first choice, it may be possible to receive your second choice.
- If monies are available, you may receive more than one benefit.

There are no special exceptions made in the following cases:

- If there are two (2) CCF-eligible parents in the same family, each parent may apply for the programs of his/her choice. However, **the CCF will not approve the same benefit for one child.**
- In the case of multiple births during a single pregnancy, for example, twins.
- If you work at more than one (1) institution/agency/facility, you may submit only one (1) application, using either institution/agency/facility.

Special Needs Child Care

The CCF works to ensure that children with special needs have access to all programs and services offered. If you are approved for a benefit for a child with special needs, you will receive a Program Status Packet with instructions for submitting eligibility documents.

If you are currently using an unlicensed provider for special needs care (i.e., friends, neighbors or relatives—with the exception of a spouse or the child's parent), you may be eligible for the reimbursement rate for a licensed provider (service provided by a person or

a center licensed by or registered with the city, county or state).

To be considered for the licensed reimbursement rate, you must provide the CCF with the following:

- A copy of your child's current Individualized Education Plan (IEP), indicating diagnosis and recommended education plan;
- A doctor's note, indicating diagnosis and treatment; and
- A notarized Provider Verification Form (provided by the CCF), indicating the amount paid and the caregiver's special certifications/training.

The above documents are used to determine if your child meets the CCF's special-needs criteria.

If you have questions or wish to submit documents for approval, contact CCR&R Services at (212) 564-2220. See the previous page for information about CCR&R Services.

Year-Round Programs

Child Care Learning Center (CCLC) | Future of America Learning Center (FALC) 2 to 5 Years – Bronx Location ONLY

The CCF subsidizes child-care slots at the Future of America Learning Center (FALC), an early childhood learning center that is licensed by the New York City Department of Health and Mental Hygiene and accredited by the National Association for the Education of Young Children. Members' weekly co-payment is based on a sliding scale. Acceptance is determined by the CCF's eligibility guidelines, availability of space and your child's age.

FALC is specially designed to provide a nurturing educational environment that connects children to the natural and real world. Its Plant-A-Dream (PAD) curriculum celebrates the whole child and provides developmentally appropriate, museum-quality, socio-dramatic learning stations within the world of work for pre-K students, and strength-based sensorial learning centers for preschool and 3-K students. Each area is equipped with relevant materials that foster physical, socio-emotional, cognitive and cultural development.

If your child receives the FALC benefit:

- None of your dependents will be eligible for other programs for that year, except for the Holiday Programs.
- **The FALC benefit cannot be transferred to any other program.**
- If you do not wish to use your FALC slot/benefit, please contact the CCF Benefits department at CCFReg@1199Funds.org or (212) 564-2220.
- You must reapply annually if your child is currently in a subsidized slot.

CCF trustees have established a maximum amount for all FALC subsidies.

This site is in the Fordham section of the Bronx.

If you are accepted to FALC, the CCF requires that you also apply for the Facilitated Enrollment Subsidy, if you are eligible. Your co-payment will be based on the CCF or Facilitated Enrollment sliding scale, whichever is lower. **Co-payments are made directly to FALC.**

FALC is contracted by the New York City Department of Education for 3-K and Pre-K for All programs. Through these programs, the City offers free, full-day (6 hours and 20 minutes) 3-K and pre-K for eligible children. Extended services are also available for an additional fee.

Sliding Scale for Future of America Learning Center (FALC): Weekly co-payments are made directly to FALC

Day Care and After-School Reimbursements

Day Care and After-School Reimbursements provide you with the full or partial cost of your child-care expenses. Reimbursement is determined by the type of care (licensed or unlicensed) and, for Day Care only, the number of dependents.

- **Licensed care:** Service provided by an individual (**EXCEPT** the member’s spouse or the child’s parent) or a center that is licensed by or registered with the city, county or state.
- **Unlicensed care:** Service provided by an individual such as a friend or relative (**EXCEPT** the member’s spouse or the child’s parent) who is **NOT** licensed by or registered with the city, county or state.
- Reimbursements are paid quarterly and take approximately four (4) weeks to process from the date the completed reimbursement form was received.
- You must apply for the type of care you are currently using (licensed or unlicensed).
- If you change from unlicensed to licensed care during the benefit year, depending upon the availability of monies, you may receive the adjusted licensed care reimbursement rate.
- An increase to the licensed care reimbursement rate can only be made upon receipt of the new provider’s license information, proof of payment and the availability of monies.
- Members approved for an unlicensed care reimbursement for children with documented special needs (severe degrees of disabilities typified by autism, Down syndrome, spina bifida or other severe disabilities requiring a similar level of care) may receive a reimbursement for licensed care. **Submission of supporting documents (see page 12) is required upon receipt of the Program Status Packet in January.**

Day Care Reimbursement (DCR) – Birth to 5 Years

The Day Care Reimbursement (DCR) provides reimbursement for year-round, **full-time** day care or babysitting (52 weeks).

Quarterly reimbursements are paid at the following rates:

Type of Care	One (1) Dependent	Two (2) Dependents	Three (3) Dependents	Four (4) or More Dependents

Tax Liability

The Internal Revenue Service (IRS) guidelines consider **some** CCF benefits to be taxable. If your benefit is taxable, you will receive a Form W-2 for the program amount, which must be filed with your taxes. You will be responsible for paying the taxes due on the program in which your child participated. However, it has been the CCF's experience that most members fall into the nontaxable (tax-free) category. The following questions and answers may help to clarify your understanding of tax liability.

Are some CCF benefits automatically taxable?

Yes. Based on IRS guidelines:

- All benefits for children who are 13 years of age or older **at any point during a program are taxable.**
- The Holiday Sleep-Away Program and Teen Holiday Sleep-Away Program are taxable regardless of the child's age.

How do I know if the benefit is taxable?

Use the Tax Certification Worksheet for Dependent Care Expenses on page 23 to determine the tax status of each program for each child. For every benefit you are requesting, read the ten (10) statements on the worksheet. If any of the statements apply to you for that benefit, indicate "Yes" under the "Taxable?" column on the Program Selection Form section of the application. If none of the statements apply to you, your benefit is nontaxable. Indicate "No" under the "Taxable?" column on the Program Selection Form section of the application.

What do I do if the benefit is nontaxable?

For nontaxable benefits, you will not have to pay any taxes on the benefit(s) unless the total cost of benefits received exceeds the IRS limits, which permits you to exclude the lesser of the following:

- \$5,000 for single or married filing jointly, and \$2,500 for married filing separately;
- Your earned income; or
- Your spouse's income, if you are married

What do I do if the benefit is taxable?

If your taxable benefit is a **direct cash reimbursement** (such as a Day Care Reimbursement, After-School Reimbursement, Cultural Arts Stipend or Summer Day Camp Reimbursement), the CCF will deduct the taxes due directly from your payment. For example, if you receive a Day Care Reimbursement benefit, the CCF will:

1. Determine the amount of taxes due based on the Form W-4 Employee's Withholding Allowance Certificate that you submitted during registration;
2. Deduct the taxes directly from your reimbursement; and
3. Send you a Form W-2 for the cost of your taxable benefit(s) by January 2024. A second Form W-2 will be issued to members approved for a Day Care or After-School Reimbursement by January 2025 for the fourth quarter that was paid to you in 2024.

If your taxable benefit is an **in-kind program, for which the CCF pays the provider directly on your behalf** (such as WorkForce, Summer Day Camp, Holiday Program, Holiday Sleep-Away Program, SAT Prep or Cultural Arts Program), the CCF will:

1. Determine the cost of your child-care benefit;
2. Determine and pay the payroll taxes associated with these program benefits. The CCF will pay both the employer's and your share of FICA and Medicare taxes due. Your share of the taxes paid is considered to be an additional benefit paid for by the CCF; and
3. Prepare and issue you a Form W-2 for the total value of the benefit at the end of the year. This will include the program's cost, plus your share of payroll taxes paid by the CCF. The Form W-2 will also indicate any related income tax withholdings (i.e., federal, state and local) due on the value of your benefit that have already been paid by the CCF on your behalf.

What if I have to change the tax status of a program I selected?

You must submit your tax status change request **in writing**. The CCF will not process your change until written notice is received. If you need to make changes to the tax status of any program you receive, please indicate the change on your Program Status Packet and return the signed document to the CCF.

What if I am not sure whether or not the benefits are taxable?

Consult your tax preparer or accountant to clarify any concerns that you may have.

Note: The information in this section does not constitute specific tax or legal advice. Please consult with your tax professional.

Tax Certification Worksheet for Dependent Care Expenses

In order for you to determine whether the benefit for which you are applying is taxable or not, you must certify to important information regarding the benefit, your children and your employment status. Once accepted, you may change the tax status of the program if you believe it to be incorrect. Please read the information below carefully.

Eligibility Rules and Limitations

For each program, read each of the ten (10) statements below. For each program for each child, if any of the ten (10) statements apply to you, indicate “Yes” under the “Taxable?” column on the Program Selection Form section of the application. If none of the statements apply to you, your benefit is nontaxable. Indicate “No” under the “Taxable?” column on the Program Selection Form section of the application.

How Benefits Are Distributed

The CCF distributes benefits based on members' benefit history and seniority. The benefit distribution process begins with members with no benefit history and continues through to members with a benefit history until the budgeted monies are spent. Members acquire a benefit history with the CCF once they use a CCF program. Members are grouped by the year in which they last received a benefit and then by their seniority within that group. Members with no benefit history (usually first-time applicants) are considered first, before those with a benefit history. Finally, members with the most recent benefit history (i.e., they received a benefit in 2023) will be considered after everyone else.

Notification of Benefit Distribution Results

Help us "go green" by logging in to **MyAccount** and consenting to receive 1199SEIU Funds plan documents and other communications electronically. By giving your consent, you will be able to access your Child Care Fund benefit information quickly and conveniently while also helping to protect the environment.

Visit **www.My1199Benefits.org** today.

Members will be notified electronically via the CCF website, email and text when the 2024 Distribution Results are available. If you have any questions, call the CCF at (212) 564-2220.

Payment Policy

Electronic Payments for Reimbursements

The CCF issues reimbursements via a reloadable debit card, the Wisely Pay Card by ADP, which allows you to receive your reimbursement funds faster than with a paper check. Plus, you can use the card to withdraw funds, make purchases and pay bills. Other benefits of electronic reimbursement include: no check-cashing fees; no delayed or lost checks in the mail; and no waiting for deposited checks to clear the bank.

Co-payments

If you are approved for a benefit that requires a co-payment, you must submit full payment with your Co-payment Invoice to the CCF.

- You are encouraged to use the CCF's easy and convenient online co-payment system, ePayments.
- You can access ePayments online through **MyAccount** at **www.1199SEIUBenefits.org/ChildCare**. Making your co-payment online ensures the fastest processing of your co-payment.

Refunds

Co-payments are non-refundable once the CCF has either been billed by the service provider or has guaranteed payment to the service provider. If the CCF has not been billed or has not guaranteed payment, a co-payment refund may be possible.

Loss of Approved Benefits

The following situations can result in a loss of benefits:

Terminations and Layoffs. All benefits will end 30 days after the date of your termination or layoff.

Workers' Compensation, Short-term Disability or NYS Paid Family Medical Leave. Members receiving workers' compensation, short-term disability or NYS Paid Family Medical Leave will continue their benefits for up to a maximum of 26 weeks combined. After this point, all CCF benefits will immediately end unless the member has returned to work. The CCF will require documentation from your employer confirming your return to work.

Failure to Make Applicable Co-payments by the Deadline. To claim the benefit for which you were approved, you must submit all applicable co-payments by the indicated deadline. If you fail to make your co-payment, your approved benefit will be canceled.

Failure to Submit Required Reimbursement Forms. If you do not return the required reimbursement forms within five (5) days of the due date, the approved reimbursement will be canceled.

Position (Title) Changes. If you transfer to a non-Union position or to an 1199SEIU collective bargaining position that does not contribute to the Funds, your approved benefits will be canceled within 30 days.

Employers' Failure to Make Payments to the Funds. Members will receive a letter from the National Benefit Fund or the Greater New York Benefit Fund informing them of the termination date. All benefits will cease on the termination date indicated in the letter. If your employer makes the necessary payments before the termination date, your benefits will continue without interruption.

Program and Member Changes Requiring Written Notification

Dropping an Approved Program

You must notify the CCF in writing to drop a program for which you have been approved. The CCF will not consider a program officially dropped until a written notice is received. Requests must be made no later than four (4) weeks before a program starts.

- You are responsible for notifying both the provider and the CCF in writing should you decide to drop a program. If you fail to notify the CCF of your decision to drop a program within the designated time period, you will be held responsible for any co-payments due.
- If the CCF is not properly notified in writing of your decision within the designated time period, the program will still be reflected on your benefit history; your co-payment may not be refunded; and you will be placed at the bottom of the distribution list by Union seniority and benefit history in the following year.

Requesting Program Changes

You must submit change requests to the CCF in writing. The CCF will not process the change request unless written notification is received. Requests for changes may be emailed to CCFRegChanges@1199Funds.org. Please include your full name and Member ID number.

- Only one (1) program change is permitted.
- For programs that require a co-payment, change requests will not be considered if the co-payment is not paid by the deadline. Please refer to page 25 for co-payment due dates.
- Program changes are only available within the same program type. For example, you may be able to transfer from one summer day camp provider to another summer day camp provider. Changes between two different program types, for example, from a holiday program to a summer day camp, are not permitted.
- Changes must be requested at least four (4) weeks before a program starts or before the provider's stipulated withdrawal deadline, whichever comes first.
- No change request is guaranteed.
- All program changes are subject to availability.

CCF Resources

Child Care Resource and Referral Services

The Child Care Resource and Referral (CCR&R) Services team helps families take the guesswork out of finding child care, summer day camp and after-school programs. To provide this service, the CCR&R team collects and maintains up-to-date information about all types of services and resources. For example, the CCR&R team will provide members with a customized list of providers based on the requested zip code. This information enables members to make the best choices from a variety of licensed/registered providers. This service is free! Eligible members may call (212) 564-2220 or email CCFReferral@1199Funds.org for assistance.

Parenting Seminars and Workshops

Parenting seminars and workshops, offered year-round, provide parents with information and access to resources on a wide array of topics, ranging from child care to summer day camp and summer youth employment. Post-secondary education seminars and workshops cover topics such as preparing your teen for college, financial aid, teen driving and Internet safety. Other seminar and workshop topics include special needs child care, knowing how to use your child-care benefits and much more. Experts in their respective fields conduct the seminars and workshops. Seminars and workshops are free, and some are available virtually. Advance enrollment is required. For more information on upcoming seminars and workshops, visit www.1199SEIUBenefits.org/ChildCare.

CCF Volunteer Opportunities

Advisory Committee

The CCF Advisory Committee comprises 1199SEIU members from participating collective bargaining units who help to shape CCF programming. They do this by providing information and feedback on programs in various communities, and by acting as a liaison between collective bargaining units and the CCF. In addition to this vital role, members of the Advisory Committee volunteer their time at Fund-related events and assist with the registration process. Individuals interested in joining the Advisory Committee should call (212) 564-2220 or email PSU_SVCS@1199Funds.org.

Waiver, Release and Certification

Parent Waiver

I am the parent/guardian of the minor child(ren) as indicated on the 1199SEIU Child Care Funds ("CCF") program application, and I give permission for my child(ren) to participate in any CCF-sponsored program.

I understand that while the CCF is providing payment or reimbursement for these programs, the CCF is not running the programs, but is contracting with different organizations ("providers") that are running the programs. I acknowledge that the CCF assumes no responsibility whatsoever for the manner in which the programs are conducted, the activities that may be performed or any other matter related to or arising out of the programs. Therefore, in exchange for CCF payments for my child(ren)'s participation in the programs, I release and discharge the CCF and any of its Trustees, officers, employees, affiliates, successors, assigns and agents (whether acting in their individual capacity or as agents of the CCF) from any and all liability, responsibility or claims (including, but not limited to, claims for negligence) present and future, known or unknown, pertaining to any accident, injury, damage or loss to person or property which may occur during the course of my child(ren)'s participation in the programs.

Media Release

I hereby give permission for my child(ren) to be photographed and/or videotaped while participating in the programs, and agree that these photographs and/or video images may be used by the CCF, or by 1199SEIU United Healthcare Workers East, or its related entities for promotional materials.

Tax Certification

I certify that I have read the *Tax Certification Worksheet for Dependent Care Expenses* and that these expenses for which programs or reimbursements are claimed will be incurred by me and are not payable by any other source. I further declare that I will not deduct these expenses on my federal, state or local income tax returns. I further certify that if I selected "Yes" where applicable when asked "Taxable?" on the Program Selection Form section of the application, I am taxable for the CCF benefits and I understand that federal, state and local taxes will be withheld, and that a Form W-2 will be issued at year's end.

I certify that if I selected "No" where applicable when asked "Taxable?" on the Program Selection Form section of the application, I am seeking the CCF benefits to enable me to be gainfully employed and responsible for the care of my dependent(s) under the age of 13 and that the benefits are not payable from any other source. I further certify that I have read and understood the eligibility rules and limitations set forth on the *Tax Certification Worksheet for Dependent Care Expenses*, that I meet the conditions for tax-exempt benefits and that I am eligible to receive tax-exempt benefits from the CCF.
